

**Frisco.com**

Company Name	Frisco.com
Project Overview	Frisco.com is a website that promotes travel and tourism while offering tips about the best locations for visitors to the San Francisco area. The idea is to help tourists get around the town and explore the sites by giving simple tips about popular destinations and sites.
Goals	The goal of Frisco.com is to help users create more memorable experiences on their vacations by providing helpful hints. We provide imagery of architectural and historical sites, in the form of video, that may help our users choose locations to travel for tourism.
Target Audience	Semi-tech savvy adult leisure travelers and tourists ages 18 and up, who have never traveled around the San Francisco area.
